END OF ESSAY

CamScanner

Answer **all** *the questions*

Each question is followed by **four** *options lettered* **A** *to* **D**. *Find out the correct option for each question and shade* **in pencil** *on your answer sheet the space which bears the same letter as the option you have chosen. Give only* **one** *answer to each question. An example is given below.*

The capital city of Ghana is

A. Kumasi
B. Cape Coast
C. Accra
D. Tamale

The correct answer is Accra, which is lettered C *and therefore answer space* C *would be shaded*

Think carefully before you shade the answer spaces. Erase completely any answer you wish to change. Do all rough work on this paper.

Now answer the following questions.

1. A community's stream becomes unsafe after people dump refuse into it. Which action would best address the problem?
   A. Clearing vegetation around the stream
   B. Providing proper waste-disposal systems
